

Making Positive Choices

YOUTH PREVENTION SERVICES

The Making Positive Choices Youth Prevention Group helps adolescents who are experiencing difficulties making choices that support a healthy lifestyle take their life in the right direction. Whether they're having problems with their peers, disregarding rules or experimenting with substance use, the Making Positive Choices group can help guide adolescents toward making the right decisions. This group is a psycho-educational series that includes an initial evaluation.

GROUP

LOCATION: **Horseshoe Drive Satellite Services
2806 South Horseshoe Drive**

MAKING POSITIVE CHOICES EDUCATES ATTENDEES ON:

- Value of Good Health
- Decision - Making for Health
- Risk-Taking and Substance Abuse
