PROTECTING TEENS DURING THE MOST CRITICAL MONTHS!

An Important Invitation...

Join us for a [FREE](#) interactive presentation to encourage smart choices behind the wheel as we approach the deadliest driving season for teens. The "100 Deadliest Days" for young drivers are between Memorial Day and Labor Day according to data from the National Highway Traffic Safety Administration. Here's a report from the [National Safety Council](#).

To help prevent further tragedies, parents and teens (14 and older) are invited to join us for a one-of-a-kind real-life view as seen through the eyes of first responders.

This important presentation is possible thanks to the generous support of Coastal Beverage. You don't want to miss it! Bring your friends. You might just save a young life!
